MEMORANDUM TO: Chief, Operations Staff/OPC

Attn: Training Officer

SUBJECT: Development of Staff Training Course

[REDACTED]

25X1A14a

1. In accordance with ^{also} memo of 29 October 1951, TRS is presently engaged in the collation of material for presentation in a Staff Training Course in [REDACTED] operations.

25X1A14a

2. It is TRS's desire to insure that this course meets the present and anticipated requirements of the Operations Divisions, and it considers therefore that the full benefit to be derived from recent and current experience, operational and practical, should be applied to the preparation of the course.

3. To permit this, TRS, through its Training Development Staff, requests authorization to conduct interviews and debriefings of staff personnel presently dealing with [REDACTED] operations, and particularly seeks the support of the Operations Staffs in insuring that a maximum of relevant operational detail is made available. Mr. [REDACTED], has responsibility for this project.

4. A draft of an agenda to be used in conducting such interviews is attached for your information.

5. In view of the obvious security implications of such a program, TRS undertakes to confine the handling of this information exclusively to those experienced senior officers at present employed within the Training Development Staff, TRS. It also undertakes, in preparing material for use in instruction, either to:

(a) Sterilize such material in a manner acceptable to the office concerned, or

(b) Specifically request authorization in advance from the staff and/or division concerned.
